2024–2025 Catalog

We are Positive Action for Christ, a nonprofit publishing ministry that exists to help teachers magnify the majesty of God.

We produce Bible studies that are . . .

- **God-Focused.** We write studies to magnify His character and work. In each passage of Scripture, students should first see how God reveals Himself.
- **Biblically Grounded.** Our books should give students an engaging companion to Scripture, with notes on context, culture, language, and application. By studying the Bible for themselves, students can nurture a deep relationship with its Author.
- **Teacher-Driven.** We believe that God disciplines His children through face-to-face contact with teachers like you. Therefore, we publish resources to strengthen your unique class curriculum.

Thanks to the feedback and support of teachers around the world, this nonprofit, independent ministry has thrived for over 50 years. We strive to keep our material accountable to God and to you, and we trust Him to use us all to introduce His grace to many students in the years to come.

## God's Prevailing Work

### Themes in Church History, AD 30–1517

Church history is the record of God's tenacious grace—growing and abounding in the hearts of imperfect people just like us. As we study the challenges of Christians in centuries past, we can better appreciate God's work in our own era. In this history-laden Bible study, students will trace the broad movements of the Christian church, from its earliest days to the dawn of the Reformation. They will analyze passages of Scripture that describe God's work through His church—while also sampling the writings of notable Christian figures.

This thirteen-lesson, self-guided study can supplement Bible, history, literature, or worldview courses. Recommended for students with a tenth-grade reading level or above.
